* Shortened: the page for that song shows only the part named there (an opening, a theme or an excerpt). st = semitones from the lowest to the highest note. Level: Easy = 0 or 1, Medium = 2 or 3, Harder = 4 or 5 of: range over 9 semitones; range over an octave; notes outside the key signature; sixteenth notes; a leap of 8 semitones or more. Notes are given in scientific pitch notation (middle C = C4).

Keys, ranges and notes are computed from the melody of each song, read from the editions named on the song's own page ([Mutopia Project](#), [Wikipedia](#), [Wikimedia Commons](#)). Free to print and share. musictheoryprint.com/charts/easy-piano-songs
