

Guitar open chords

Played in first position, with open strings · page 1 of 3

Major chords (5)

Minor chords (5)

Suspended chords (sus2, sus4) (9)

How to read: strings run left to right from the lowest (thickest). x = do not play that string, o = play it open, a number in a dot = the finger (1 index, 2 middle, 3 ring, 4 little), a long bar = barre (one finger across several strings), 3fr = the diagram starts at fret 3. Under each diagram: the fret of every string, lowest first (x = muted).

Shapes from chords-db (MIT licence), one first-choice shape per chord, each checked note by note against the tuning E A D G B E.
