How to read: grey keys are the notes of the chord; the black dot is the root, a ringed dot is any other chord tone. The letters under each keyboard name the notes from low to high. Every chord is in root position, drawn from middle C upwards; the same chord sounds the same in any octave.

Chord tones worked out by letter names and by the line of fifths and compared with chords-db (MIT licence). musictheoryprint.com/charts/piano-chord-chart
